

HIKMAT BK

PROFESSIONAL MOUNTAIN BIKER

Namaste, I'm a Professional Mountain Biker born and raised in rukum district of Nepal. Later ,on the rage of civil war i fled with my family to Pokhara where I got education and much needed job. With a lot of enthusiasm i joined bike shop form where my MTB journey began. I've gone through a number of phases in my career, and each of them has informed my current work ethos and philosophy. I have excelled in a number different jobs in diverse industries, and believe that my number one asset is my ability to adapt to any challenge that is thrown my way.

SKILLS:

- XC MTB Racer

- Enduro and Downhill Enthusiast

- Certified Trekking & MTB Guide

- Barista

presently, I'm seeking for sponsorship to basically support my career. currently, all I have is a part-time barista job and support from a few amazing people and thus I'm badly struggling despite my best effort and result so far.

In return for your generosity, I will act as an enthusiastic brand ambassador and promote your brand in every way possible.

Through best results, social media, clothing, and Word-of-mouth, I believe I would be able to give you good value for your investment in sponsoring me.
